

## WHAT IS OCA?

OCA—Asian Pacific American Advocates is a national organization, dedicated to advancing the social, political and economic well-being of Asian Pacific Americans.

To achieve its mission, OCA has these major **goals**:

- to advocate for social justice, equal opportunity and fair treatment;
- to promote civic participation, education and leadership;
- to advance coalition building and community building; and
- to foster cultural heritage

The **Greater Seattle Chapter**, which was founded in 1995, is one of 80 chapters nationwide. Since that time, it has served the Greater Seattle APA community as well as other communities in the Pacific Northwest. The chapter is recognized for its tough stands on civil rights and social justice, promoting civic engagement, combating negative stereotyping and ethnic slurs, and promoting APA heritage. OCA—Greater Seattle aims to build a strong organization so that it can be an effective watchdog and powerful advocate for the APA community.
